

Cnova N.V. Initiates a Review of Inventory in Brazil

AMSTERDAM, December 18, 2015, 22:01 CET - Cnova N.V. (Nasdaq: CNV; Euronext Paris: CNV) ("Cnova") today announced that its Board of Directors has engaged legal advisors and external forensic accountants to perform a review of issues in connection with employee misconduct related to inventory management. The issues identified primarily involve the handling of product returns and damaged product inventory at distribution centers of Cnova's Brazilian subsidiary, Cnova Comércio Eletrônico S.A. (Cnova Brazil). The investigation will also assess any accounting and financial statement impact of the conduct under review. Cnova's Board and its Audit Committee will liaise as appropriate with and benefit from the active support of the Brazil-based Audit Committee of Companhia Brasileira de Distribuição (CBD), Cnova's Brazilian controlling shareholder. The investigation is ongoing and, at this stage, it is still too early to foresee when it will be completed or what actions, if any, may be taken by Cnova and its affiliates.
