

**CNOVA N.V.**  
**EXPLANATORY NOTES TO THE AGENDA**

Explanatory notes to the agenda for the annual general meeting of shareholders of **Cnova N.V.** (the "**Company**") to be held on Friday May 26, 2023, at 12:30 p.m. CEST, at Hilton Amsterdam Airport Schiphol Hotel located at Schiphol Boulevard 701, 1118 BN, Schiphol Airport, the Netherlands (the "**AGM**").

**Agenda item 2:            Board report for the financial year 2022 (*discussion item*)**

Dutch law requires the board of directors of the Company (the "**Board**") to annually prepare a board report, which must give a true and fair view of the position on the balance sheet date of the annual accounts, the developments during the financial year and the results of the Company and its group companies of which the financial information has been included in the annual accounts. Under Dutch law, the board report must also be discussed at the annual general meeting of shareholders. The contents of such board report are subject to Dutch law and the Dutch Corporate Governance Code.

In its meeting held on October 30, 2014, the general meeting of shareholders of the Company (the "**General Meeting**") approved the use of the English language for the annual board report, in accordance with section 2:391(1) of the Dutch Civil Code ("**DCC**"), and for the balance sheet items in the annual accounts, in accordance with section 2:362(7) DCC. As such, and due to the international nature of the Company's business, the board report for the financial year 2022 (the "**Board Report**") and the balance sheet items in the annual accounts for the financial year 2022 (the "**Annual Accounts**") have been prepared in the English language.

**Agenda item 3:            Remuneration report for the financial year 2022 (*advisory voting item*)**

In accordance with sections 2:135b (1) and (2) DCC, the implementation of the Company's remuneration policy in 2022 has been disclosed in the remuneration report as part of the Board Report and such remuneration report will be discussed and put to an advisory vote.

***Proposed resolution***

*In accordance with and further to the explanatory notes to the agenda for the 2023 annual general meeting of shareholders, to approve, as an advisory vote, the remuneration report over the financial year 2022 as included in the Board Report.*

**Agenda item 4: Allocation of results and dividend policy (*discussion item*)**

The Dutch Corporate Governance Code recommends that the Company's dividend policy (the level and purpose of the addition to the reserves, the amount of the dividend and the type of dividend) be discussed at the AGM.

For the financial year 2022, the Company's Annual Accounts show a loss both on a standalone basis and on a consolidated basis. In view of these losses, the Board did not see any reason to reconsider its policy of not paying any dividends and resolved to charge the losses shown in the Annual Accounts against the retained earnings.

**Agenda item 5: Adoption of the annual accounts for the financial year 2022 (*voting item*)**

Dutch law requires the Board to annually prepare annual accounts, consisting of a balance sheet and a profit and loss account with respect to the preceding financial year, as well as consolidated accounts and explanatory notes thereto. The Board has drawn up the Annual Accounts, which were signed by all members of the Board. Dutch law provides that the general meeting of shareholders is the corporate body authorized to formally adopt the Annual Accounts.

As indicated above, the Company has finalized the Annual Accounts, and therefore it is now proposed to the General Meeting to adopt the Annual Accounts.

***Proposed resolution***

*In accordance with and further to the explanatory notes to the agenda for the 2023 annual general meeting of shareholders, to adopt the Annual Accounts drawn up by the Board and signed by all members of the Board.*

**Agenda item 6: Release from liability of the members of the Board with respect to the performance of their duties during the financial year 2022 (*voting item*)**

In accordance with Dutch law, if the General Meeting adopts the Annual Accounts, such adoption does not automatically release the members of the Board from liability with respect to the performance of their duties during the financial year 2022. Instead, such proposal should be made separate from the proposal to adopt the Annual Accounts. Consequently, it is now proposed to the General Meeting to release the members of the Board from liability with respect to the performance of their duties during the financial year 2022.

In principle, this proposed release from liability only extends to matters that are disclosed in the Annual Accounts or have otherwise been disclosed to the General Meeting.

***Proposed resolution***
